C6. Participate in my Friendship, Gender, and Autism Status Study

Participate in my research study, which explores how autism status and gender influence friendship experiences in adulthood. I'm seeking participants aged 18-65, both autistic and non-autistic, to complete a confidential 5-10 minute online survey. Your insights will enhance our understanding of friendships in adulthood. People of all genders are welcome.

C7. Cornell Dining Survey

Hello, my name is Alma Meili, and I'm representing the Residential Sustainability Leaders, an environmental organization on campus.

We're working with Cornell Dining to study student reusable habits. Specifically, we're trying to find ways to incentivize students to utilize the Cornell Dining Reusable Mug/Cup Discount. In pursuit of this aim, we've designed this survey, and the link to the survey is here: https://cornell.ca1.qualtrics.com/jfe/form/SV_bknpkcRIZXmxiAu.

Those who fill out the survey will be entered in a raffle to win one of the following prizes: a) one of three \$50 Cornell Store gift cards, or b) one of four reusable mugs from Martha's Café, each with a \$5 off coupon inside (redeemable at all Cornell Dining retail locations).

See the flyer [here](#)!

O2. Spirits Distillation Internship

Spirits Distillation Internship (**July-December 2024**)

Location: Modesto, CA

Application Deadline: March 31, 2024

Application Link: <https://careers.gallo.com/job/Modesto-Spirits-Distillation-Internship-CA-95354/1136525800/>

This internship provides students with the opportunity to learn from experienced distillers producing a variety of spirits. Spirits-making is an area of rapid growth for Gallo and the environment is dynamic as we learn how to distill and craft new beverages.

You Will:

- Manage bench-scale trials to problem-solve current production issues.
- Evaluate process improvements in making and managing our spirits portfolio.
- Monitor fermentation and distillation facilities during harvest.
- Participate in spirits tasting and sensory evaluation.

This is an exciting opportunity to join Gallo's Spiritsmaking Team. This team is responsible for overseeing the production of 31 million cases of Ready-To-Drink beverages, inclusive of the High Noon Seltzer. The team also oversees Brandy production from Grape to bottle, distillation via continuous columns and alembic pot stills. Come join our team and learn more about Gallo and distilled beverages!

O4. 2024 HITEC Foundation Scholarship Opportunity

The HITEC Foundation Scholarship is accepting applications for the 2024-2025 academic year! The HITEC Foundation Scholarship is designed to assist students of Hispanic descent to obtain a university degree in technology. Along with financial support, scholars are paired with a professional in the industry to mentor and support them.

Scholarships are available, on a competitive basis, to:

- High school seniors enrolling in college
- Undergraduate students
- Community college students enrolled full-time
- Graduate Students

Scholarships of up to \$5,000 will be awarded (There are three tiers: \$1,500, \$2,000, and \$5,000)

The application deadline is **April 12, 2024 11:59 PM Pacific Time Zone**.

Candidates for the HITEC Foundation Scholarship Program must meet the following eligibility requirements:

- Be of Hispanic heritage (i.e., at least one parent must be of Hispanic descent).
- Be a graduating high school senior, completed GED student, or current undergraduate/graduate student.
- Have a minimum 3.0 GPA (on a 4.0 scale).
- Major (or intend on majoring) in Technology or an approved technology-related major. (See the program FAQs for a list of technology-related majors.)
- Be a U.S. citizen or permanent legal resident; or be eligible for Deferred Action for Childhood Arrivals (DACA) status.

To apply, students can visit our website [here](#) or create an account for the application link [here](#). If they were a past applicant, they will log in with the same credentials.
